

# Supporting Children, Adults & Families since 1949

## Why is Membership Important?

### SUPPORT

- Membership provides important networking opportunities for family members, professionals, advocates, and others interested in the welfare of those who have intellectual and other developmental disabilities.

### EDUCATION

- Membership means a better informed public. Awareness is an outgrowth of membership, and awareness is the first step in creating society-wide acceptance and inclusion of children and adults with intellectual and other developmental disabilities.

### ADVOCACY

- Membership gives our Chapter and our state and national organizations, the voice they need to influence decisions made by legislators and policy-makers, thus allowing us to effectively advocate on behalf of the children and adults who we support. As a member, you can play an important role in the advocacy and decision-making process!

# Membership Drive 2009-2010

### What is the Ten-for-One Campaign?

SullivanArc is part of a statewide organization known as NYSARC, Inc. which is comprised of 55 local Chapters much like ours. Collectively, NYSARC, Inc. Chapters provide programs and services to more than 50,000 children and adults who have intellectual and other developmental disabilities.

This year, both SullivanArc and NYSARC, Inc. are celebrating our 60th Anniversary. Given the significance of this milestone in the history of our Organization and recognizing the challenges each Chapter will face in the current economic climate, NYSARC, Inc. has embarked on an exciting and ambitious “10 for 1” Membership Campaign.

The Organization’s goal this year is 500,000 members strong and SullivanArc plans to do its part in making that goal a reality...but to do so we need your help!

### How will we Reach our Goal?

For every individual served by the SullivanArc, ten people will be invited to become a member in support of that individual.

### Where will we Look for New Members?

Every person served by SullivanArc has a circle of family, friends and advocates that help to support that individual. By looking at that circle of support, prospective members can be approached and invited to become a member of SullivanArc.

### How can you help?

We are asking all consumer family members, friends and current members to personally ask 10 people you know to join SullivanArc. A form is enclosed for your convenience. Please fill out the form and mail with payments to the address listed on the form. Or ask friends to join online at [www.sullivanarc.org](http://www.sullivanarc.org).
